

## ON THE CHAIR

If you need office furniture, compare everything and compare Amneon. We have years of experience making well made furniture for other companies. We have a small portfolio of products, which helps us keep our costs down and the planning simple. We concentrate on making every buying experience hassle-free.

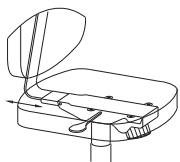

Amneon task seating and stackable chairs support people ergonomically without costing an arm and a leg. Available in a selection of options, as well as fabrics and finishes, these chairs hold up their end of the bargain—in style.

With two mechanical functions, and three arm styles to choose from, Amneon task chairs deliver on both comfort and functionality. And Amneon stacking chairs are the perfect support group for break rooms, large venues or overflow situations.
