

ON THE SHELF

Amneon filing and storage does exactly what it's supposed to—provide personal storage space for individual comfort and a perfect repository for the books, files, binders and research all sorts of folks need to get to easily, to get their jobs done.

All Amneon filing and storage meets or exceeds BIFMA standards. Box drawers include three-quarter extension ball bearing slides, and all file drawers are built with full extension ball bearing slides. All units feature a gang locking system and master keyed, core removable locks. Mobile pedestals have locking casters and counterweights installed.

If you need office furniture, compare everything and compare Amneon. We have years of experience making well made furniture for other companies. We have a small portfolio of products, which helps us keep our costs down and the planning simple. We concentrate on making every buying experience hassle-free.
