

## ON THE SURFACE

Available in shapes and sizes engineered to maximize space and configuration flexibility, Amneon worksurfaces provide a solid platform for productive performance.

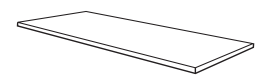

Amneon worksurfaces are cold pressed with a balanced construction—approximately 1/4" thick—providing a stable surface in a myriad of applications.

If you need office furniture, compare everything and compare Amneon. We have years of experience making well made furniture for other companies. We have a small portfolio of products, which helps us keep our costs down and the planning simple. We concentrate on making every buying experience hassle-free.
