

ON THE TABLE

From the conference room to the break-room, Amneon tables contribute to a company's flow and functionality—helping make planned meetings smoother and impromptu gatherings a breeze.

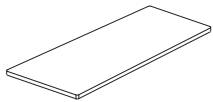

Amneon table tops are cold pressed with a balanced construction—approximately 1¹/₄" thick—providing a stable surface wherever one is needed. Modesty panels and tackable divider screens are also available for increased privacy and/or functionality.

If you need office furniture, compare everything and compare Amneon. We have years of experience making well made furniture for other companies. We have a small portfolio of products, which helps us keep our costs down and the planning simple. We concentrate on making every buying experience hassle-free.
